DEDICATION

We, the first graduating class of the new Temple High School, are proud to dedicate the 1966 Cotton Blossom to Mr. Antone Elsik, a fine educator and friend. His guidance, friendship, and loyalty have served as an inspiration to the members of our class, and we sincerely hope that this dedication will be a worthy tribute to him.

Mr. Elsik works with his Math students.

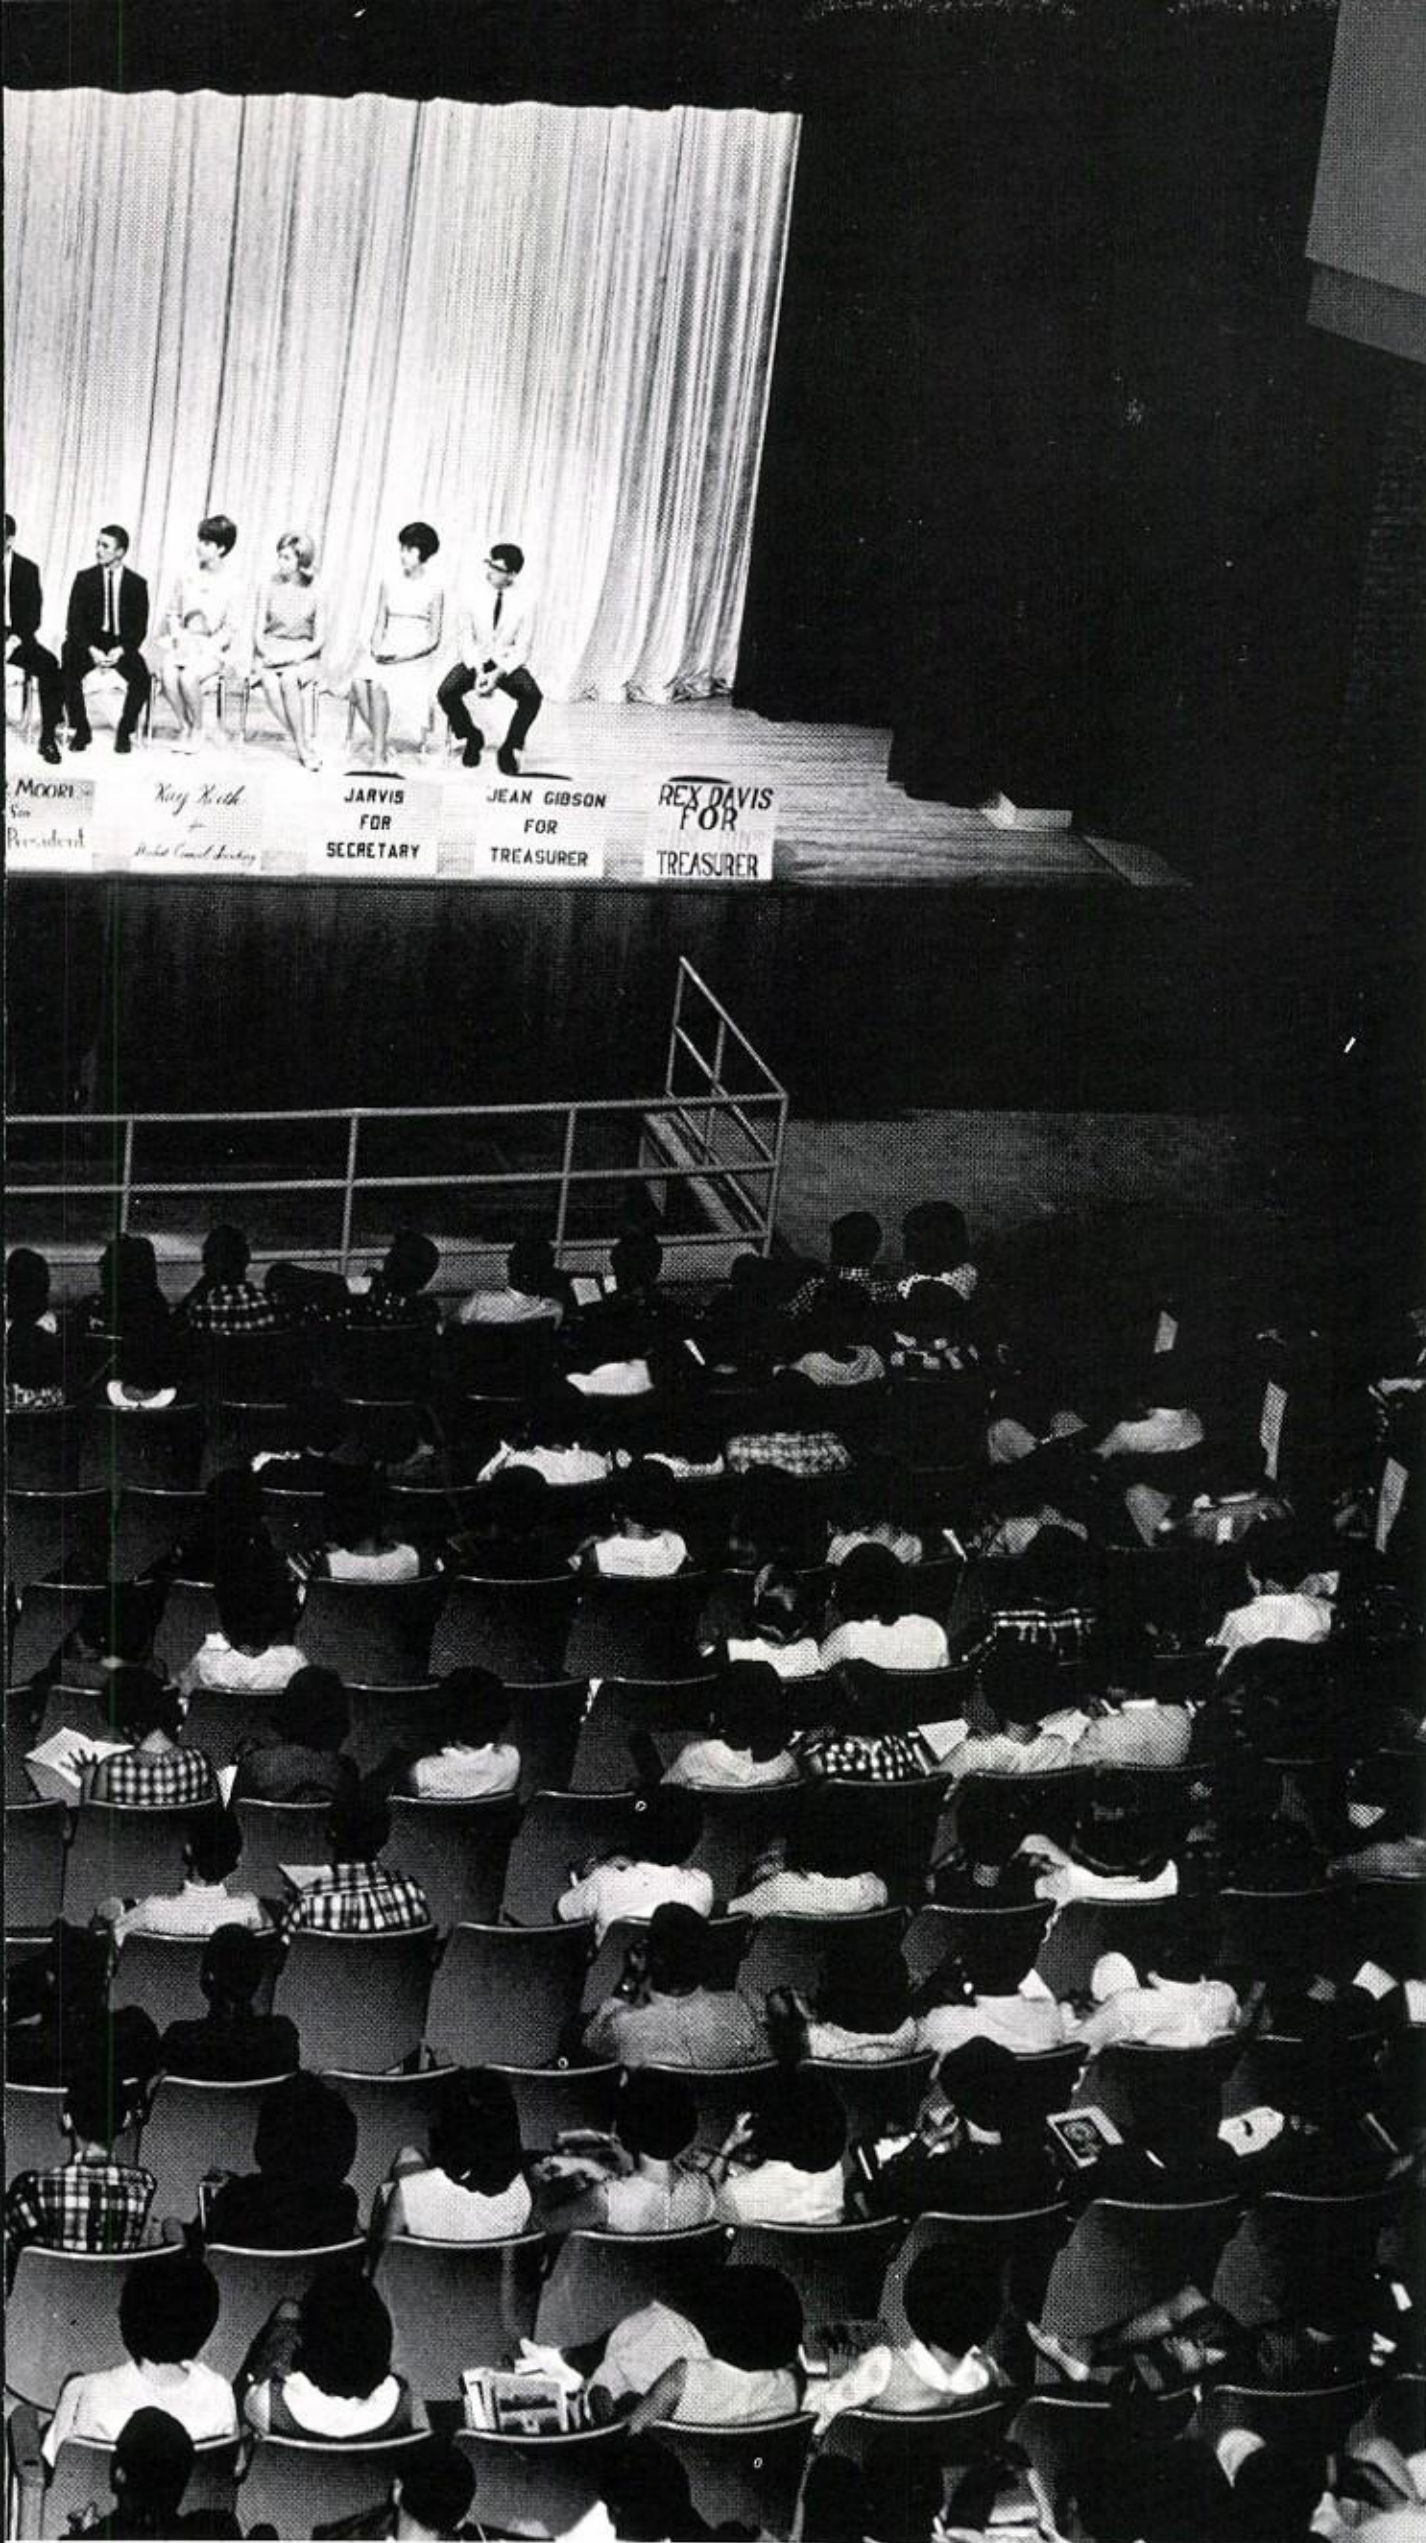

IN MEMORIAM

In remembrance of her many years of service in the English and Speech Departments of Temple High School, we join with her family and many friends in mourning the death of Mrs. Nita Huckabee.

SENIOR BANQUET

Terry Cearley, President of the 1966 Senior Class, presided.

A Hawaiian theme was carried out, and leis were presented to everyone who attended the banquet.

Temple High School's own "Merrijuana Brass" provided the entertainment.

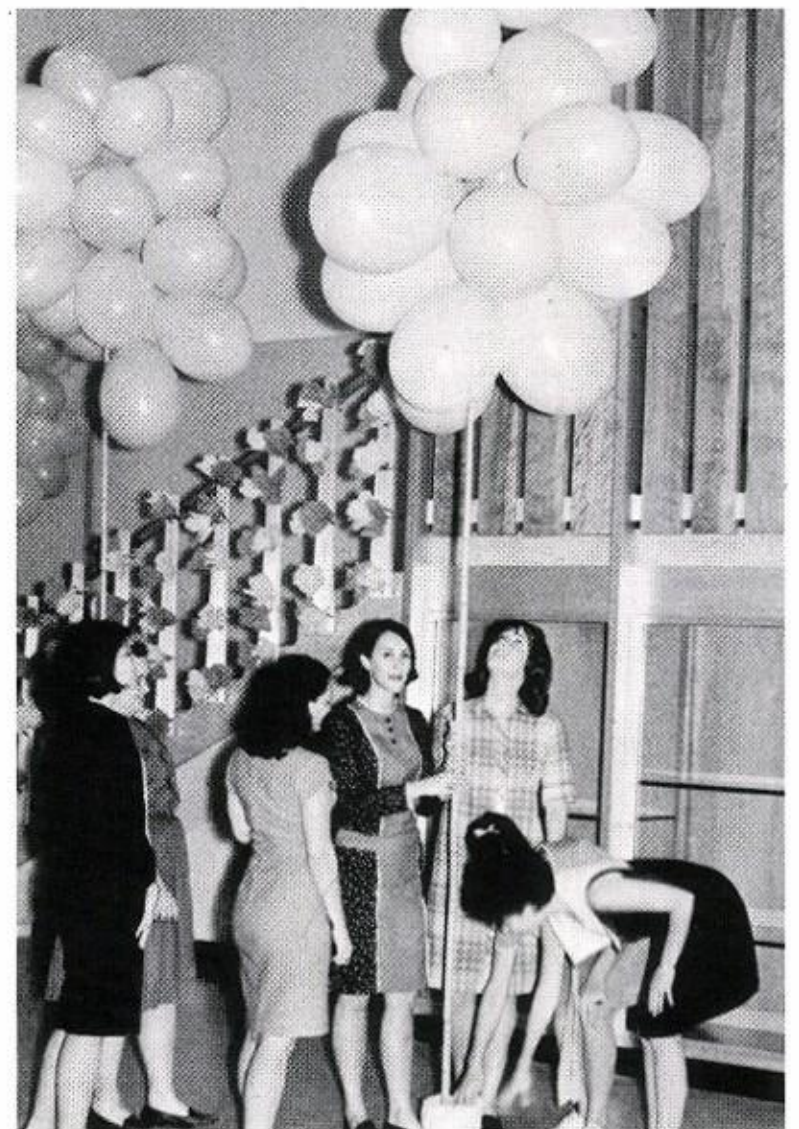

Dr. H. C. Farrell, instructor at Temple Junior College, was the guest speaker.

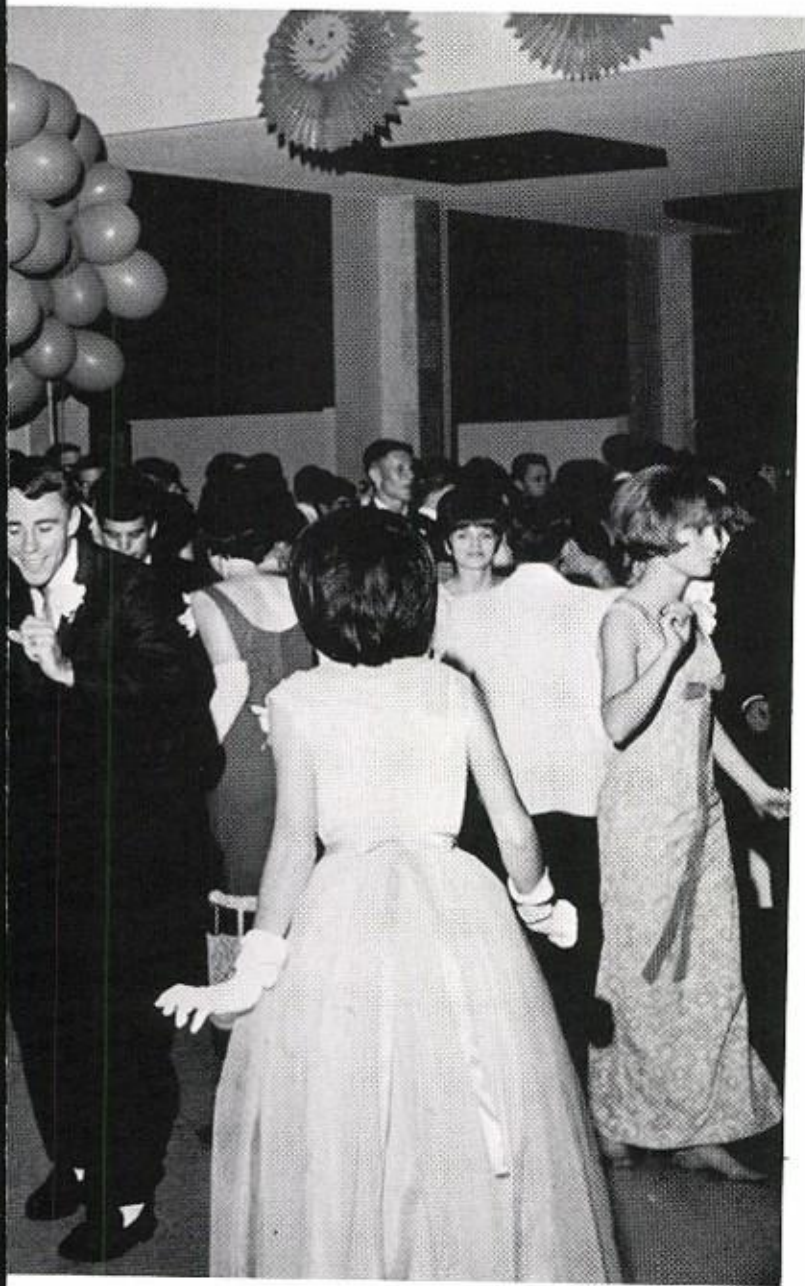

Everyone seemed to have an enjoyable time.

DO IT BETTER *Electrically!*

HEAT-COOL *flamelessly!*

"See, Betty, it's like the man said . . . we just set the thermostat and forget it."

And mother is right. Regardless of how often or how rapidly the outside temperature may change, the flameless electric heat pump automatically keeps the inside temperature at the comfort-level you select. The heat pump provides fresh, draft-free air the year 'round . . . pleasant warmth in the winter, delightful coolness in the summer.

Ben,
It's hard for
me to put down on
one sheet of paper all
that I want to say. I just
I am that you aren't as stubborn and
hard headed as I am. If you were, we
could never have the promise of anymore
months together on the 8th grade who would have
to come. In the writing this to you now? I guess I
believed I'd be with you into the future and all)
should have known (being able to see all ... if
that we would finally get together again. After all ... if
you ever lost me, who would spot rabbits for you?

Love you forever,
Wonder Woman

(JULY 1969(?))
